

ABOUT US

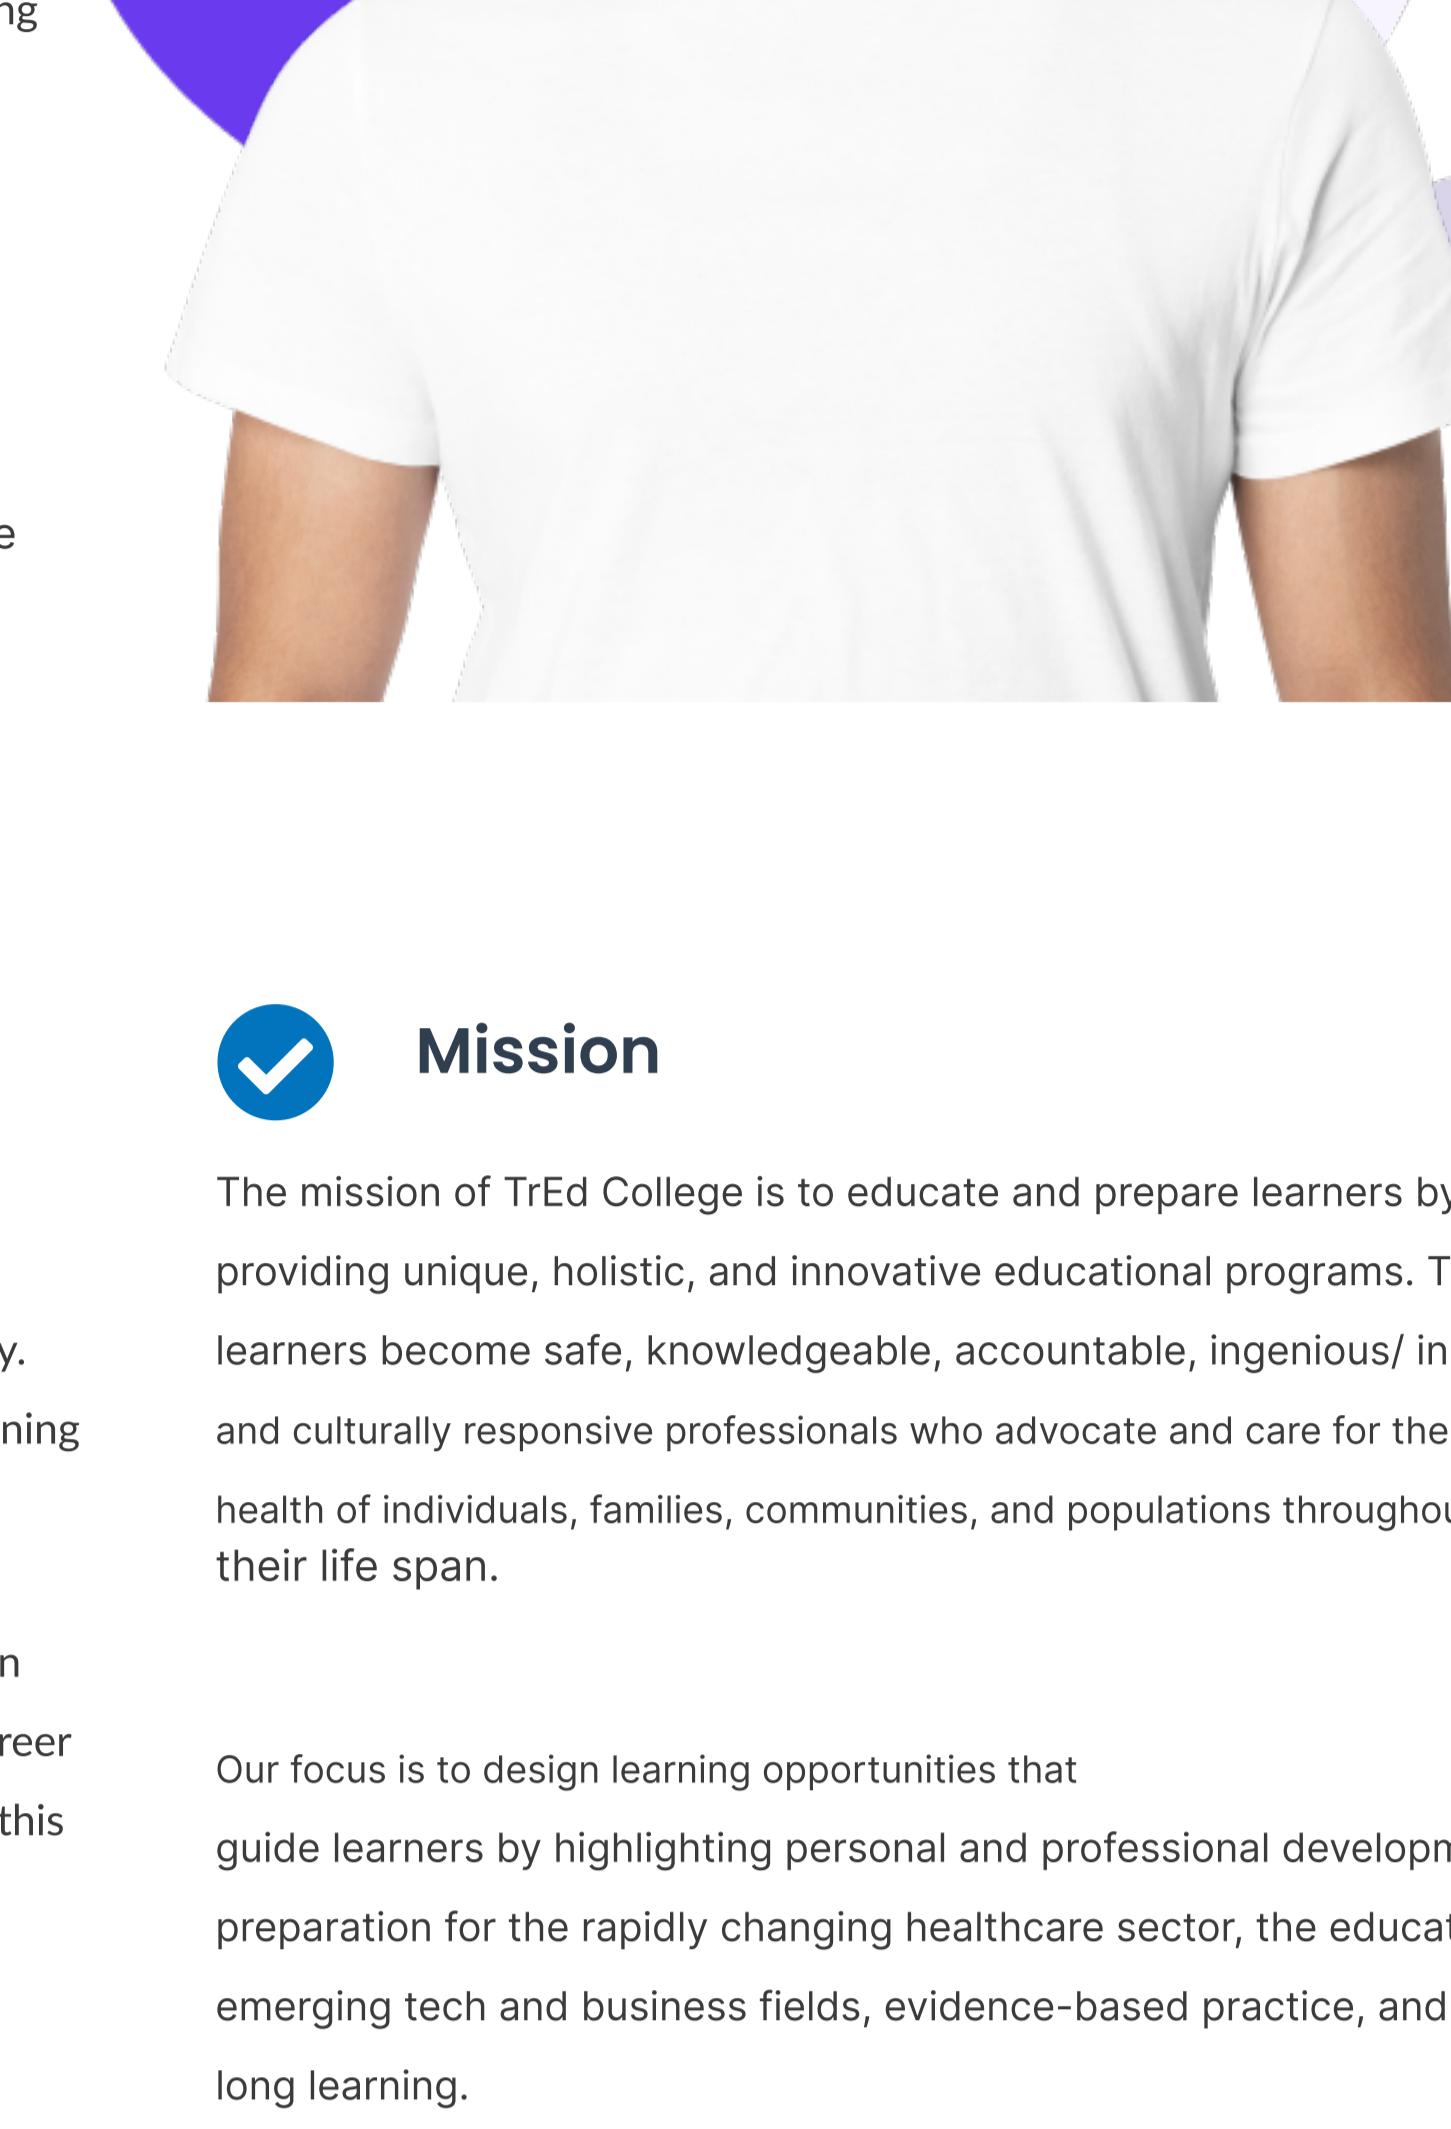

About TrEd College

Our Students Are Our Priority

TrEd College acknowledges the Traditional Owners and Custodians of this land, upon which our College is built on and delivers courses, and pay our respects to their Elders past and present.

Our passion is to help people achieve their career goals by providing the highest standard of nationally endorsed qualifications for the Healthcare, Education, Emerging Technologies and Business Industries in the Sydney Metropolitan area. Since 2009 we have been realising this goal by developing and delivering programs and courses that arm our students with the skills, knowledge and experience to achieve their dreams and build successful, fulfilling and stable careers.

TrEd College is a company headquartered in Sydney, NSW with campuses and offices in ACT and SA. Part of our mission is to have TrEd College easily accessible Nationally and Globally upon successful accreditation from relevant regulatory bodies.

Vision

The Australian Healthcare, Education, Emerging Technologies and Business Industries respectively lead the world in its standards of excellence and represents the primary engines of economic and jobs growth in this country. Australian qualified workers in these areas are sought after worldwide, opening professional horizons both at home and abroad.

With all this opportunity awaiting, you need a training provider that you can rely on to ensure that you are ready to either embark on or expand your career in what is a dynamic, challenging and exciting field. It is our vision to make this become a reality!

Mission

The mission of TrEd College is to educate and prepare learners by providing unique, holistic, and innovative educational programs. The learners become safe, knowledgeable, accountable, ingenious/ inspired and culturally responsive professionals who advocate and care for the health of individuals, families, communities, and populations throughout their life span.

Our focus is to design learning opportunities that guide learners by highlighting personal and professional development in preparation for the rapidly changing healthcare sector, the education, emerging tech and business fields, evidence-based practice, and life-long learning.

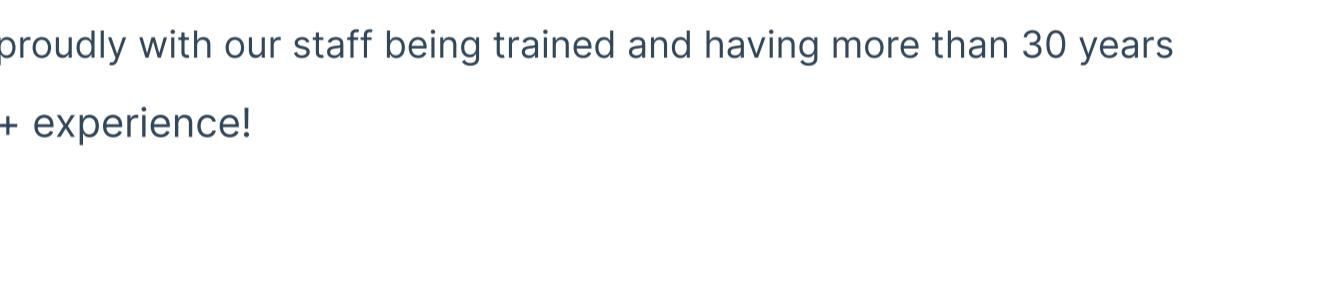

Our Accreditation

At TrEd College, we believe in ensuring all courses we deliver have met and continue to meet all respective regulatory compliance Guidelines and Principles. Your courses will be in its highest form to deliver promising and engaging educational content.

National Accreditation

All our courses are nationally recognised, and we are a Registered Training Organisation. Our RTO Code is 40797 and CRICOS Code is 03741E.
